Amendment to funding application guidelines

The following amendment is current as at 6 January 2017

On pages 7-11 and 13, where it reads:

“The following costs are ineligible for funding:

- ongoing operating costs or salaries (note: this does not preclude project management costs);
- travel and accommodation costs; and
- legal fees or cash prizes.”

replace with:

“The following costs are ineligible for funding:

- *ongoing operating costs or salaries (note: this does not preclude project management costs); and*
- *legal fees or cash prizes.”*

On pages 10, 12 and 13, insert:

“Fair and reasonable travel and accommodation costs that are essential for the successful delivery of the proposed project will be considered.”

in the description of eligible infrastructure, eligible activities, or eligible projects, as relevant.
