

Antibiotic resistant infections are one of the biggest threats facing us today.

Agriculture Victoria has recently partnered with the Antibiotic Guardian website to create an Australian specific pledge page.

Go online today and pledge your support to become an Antibiotic Guardian.

Antibiotic Guardian Lapel Pin

Pledge online today!

When you have pledged online send us an email with your details and we will send you this lapel pin to wear.

animal.biosecurity@djpr.vic.gov.au

BECOME AN ANTIBIOTIC GUARDIAN

Protect yourself, your family and friends against the spread of antibiotic resistance.

Keep  Antibiotics Working
