INSTRUCTIONS FOR COMPLETING THIS APPLICATION

If you own cattle, sheep, goats, pigs, camels, alpacas, llamas, horses, deer or more than 50 poultry (being any domesticated fowl) or 10 emus or ostriches, you require a Livestock PIC.

This form is for use by livestock owners who **do not** already have a Property Identification Code (PIC) for the property on which their livestock are grazing. **Producers who run cattle or sheep are likely to already have a PIC. If you are unsure, telephone the Department's toll-free Helpline on 1800 678 779.** The PIC allocated to your property will commence with the prefix '3'. The '3' will be followed by two letters for your shire, then a letter for your parish, then another letter which is used to check the validity of each PIC, and then three numbers for your property, eg. 3ABCD123. If an email address is supplied for the Livestock Owner (Section 1) you will be sent an email notifying you of your new PIC. If no email address is supplied, you will be posted a letter notifying you of your new PIC.

1. Livestock owner (or person who operates a livestock business) details

Insert the details of the livestock owner or livestock business operator. This is the only person that can in future alter the registered PIC details. Correspondence from DJPR will be sent to the livestock owner.

2. Farm manager

Insert the farm manager details. This person should be responsible for the husbandry of the livestock.

3. Property Owner

Insert the property owner details.

4. Property Details

Insert the location of the property where the livestock will be located or grazing, including leased, rented or agisted land, or Crown land under a Grazing Licence. Details must include the shire, parish, property address and the Council Property Number or Rate Assessment Number, or Grazing Licence Number. A Property Identification Code will not be issued unless the Council Property Number or Rate Assessment Number is provided, except where the shire does not provide such numbers. Further information can be obtained from your local shire office.

A single Property Identification Code (PIC) can be allocated to a property consisting of more than one block of land provided the blocks are part of the one livestock enterprise and located within the one locality. Each block of land must be included on the application or on an accompanying list attached to this application.

5. Previous Property Owner Details

Please provide details of the previous property owner, if known.

6. Type and number of livestock on property

Indicate the types of livestock you run on the property and numbers present at the time of completing this application. If you currently have no livestock enter the anticipated type and number of livestock. Livestock not listed (such as Bison and Buffalo) should be recorded under the stock type of other.

7. Notification of your new PIC

If an email address is supplied for the Livestock Owner (Section 1) you will be sent an email notifying you of your new PIC. If no email address is supplied in Section 1 you will be posted a letter notifying you of your new PIC.
